Friend Application Procedure

Newcastle Reform Synagogue is a constituent member of the Movement for Reform Judaism. Membership of Newcastle Reform Synagogue is open to all Jewish people. For our purposes, this means anyone who was born to a Jewish mother or who has converted to Judaism under the auspices of any authority recognised by the Movement for Reform Judaism. The Synagogue Council recognises that there are certain people who support the ideals and activities of NRS, but are not eligible for full membership. A category of 'Friends of NRS' has been established for (a) partners of Jewish members and (b) persons of goodwill who wish to support NRS.

All applications for Friend status are referred to our Council. Once approved, the Synagogue Treasurer will send the applicant a request for payment of subscriptions. In the event of financial hardship, applicants/members should consult the Treasurer. All information relating to membership, including financial information, is treated as strictly confidential.

The Synagogue Council, acting in consultation with its Rabbi and the Movement for Reform Judaism, reserves the right to refuse an application for Friend status or to terminate an existing "Friendship". While always seeking to act in good faith and with due regard to natural justice, the Synagogue Council is not obliged to give reasons for its decisions.
